

LED Refining & Firming Contour Treatment

Targeted Refining and Draining Care

A targeted refining body programme to visibly improve the appearance of skin quality and texture. Our exclusive CINETIC™ LIFT EXPERT treatments combine three futuristic technologies: Micro-currents, Ultrasound, Luminotherapy and high performance formulae to leave skin feeling firmer and toned for more defined looking skin contours

Treatment duration: 45mins
(Single treatment, course or 5 and 10 sessions available)

LED Refining & Firming Contour Treatment

Relaxing, Sensorial Massage with Hot Stones

Just relax and let us do the work. This is the ultimate body treatment to release tension and stimulate energy points with soft warm volcanic stones. Each area of the body is massaged and pampered to leave it revitalised and refreshed; a truly magical experience.

Treatment duration: 1hr

Nourishing Skin Exfoliant

Exfoliating and Energising Massage

This exquisite exfoliating treatment will leave your skin feeling nourished and smoothed, revealing its original beauty leaving your skin divinely soft.

Treatment duration: 45mins
