Intensely ruby red in color. The nose offers notes of small dark fruit, sweet spices, toasted oak, and forest floor. On the palate, tannins are extremely well balanced, refined, and persistent. This wine can be enjoyed immediately, perhaps even more so than the past vintage, but also has exceptional aging potential, an extended period of bottle aging allows the wine to evolve and improve over time

**Vintage 2018 Estate Cabernet Sauvignon, Chateau Montelena (14)** United States €540.00

Youthful, rich nose with classic Napa Cabernet aromas. currant, black cherry and menthol. Some subtle wood and spice notes add complexity. Dry, broad and structured on the palate with cherry, cassis, liquorice and herbs with ripe tannins and supple texture. Long and flavoursome in the finish. NOSE As expected, the aromas here have evolved but not fundamentally changed after an additional ten years in bottle. Dark cherry and cedar still dominate, although there's significantly more black pepper and baking spice. Some of the latter is undoubtedly from the cooperage, as barrel character tends to become unmasked over time. But the fruit profile, which threads the needle between ripe and restrained, is quite remarkable. At first, it's modern and lavish. After a few moments, it's classic and complex. A beautiful wine.

Stylish and seductive from the outset, already open and expressive with delicate ripe stone fruit, floral touches and minerality but also graceful, pure and lifted. Suave and glossy on the attack with very fine mousse, and a fine-textured mid-palate that hints at the warmth of the vintage underpinned by freshness. Beautifully judged, with hints of honey leading to a polished finish and a touch of crisp grapefruit...simply delicious with huge appeal now but not at the expense of balance. Complete and harmonious with an irresistible vibrancy and energy.
